Call for Papers

Digital, Innovation, Entrepreneurship and Financing

December 2-3, 2019, Valencia, Spain

Submission deadline: July 30, 2019

Conference’s Official Website

You are cordially invited to submit your research papers for presentation at the International Conference on Digital, Innovation, Entrepreneurship and Financing (DIF-2019) that will take place on December 2-3, 2019 in Valencia. Valencia has a mix of old and new buildings, giving it a real special feel of its own. From medieval castles and towers to modernist and art deco architecture, from nice little shops to big shopping centres, Valencia has it all.

The DIF-2019, organized by Universitat Politècnica de València (ES), John Molson School of Business, (Concordia University, CA), University of Jilin (CN), will be an excellent networking opportunity for academics, doctoral students and practitioners to present new research results, and discuss current and challenging issues in their disciplines.

The main tracks of the conference are the following (non-exhaustive):

- Digital Technologies
- Technological Innovations to Ensure Confidence in the Digital World
- Protection and development of digital innovations, Patents, Open innovation
- Business model and Innovation
- Entrepreneurship / Intrapreneurship and Innovation
- Digital Entrepreneurship
- Digital innovation and Knowledge management
- Dynamics and growth strategy of digital firms
- Digital transformation, Strategy and Competitiveness of firms
- Digital Marketing
- Digital markets and products
- Management of digital innovation and Organizational impacts
- Human Resources and Digital
- E-learning, e-education and e-pedagogy
- Digital and Public management
- Innovation and Public Management
- Financing of digital innovations
- Electronic markets and Trading platforms
- FinTech and Alternative Finance (crowdfunding, P2P lending)
- Governance and Financing of High Tech firms
- Digital finance, money, banking: Bitcoin, cryptocurrency, Blockchain, future of payments, e-banking, e-finance...
- Digital and Insurance, AssurTech
Paper Submission Procedure

Interested contributors should submit preferably full papers in PDF files (in English or French), but extended abstracts (1,000 to 1,500 words) may also be considered if they show considerable promise, no later than July 15, 2019 through the conference website.
